NOW ACCEPTING NEW CLIENTS
without Medi-Cal or other healthcare
insurance in residential and outpatient
mental health programs

Transitional Living/Mental Health Programs in San Fernando Valley and El Monte Service Areas

ANNOUNCEMENT OF AVAILABLE BEDS AND TREATMENT

Our Intake Coordinator is ready to assist you in accessing these programs even if you or your referral does NOT qualify for Medi-Cal or other affordable healthcare insurance.

Services BRIDGES can provide to your clients include:

- 24-Hour care and supervision in licensed residential facilities
- Daily activity and support groups
- Living skills: budgeting, shopping, cooking, communication skills, medication management, grooming and housekeeping
- Community outreach, transportation assistance, case management
- Independent living skills training including vocational and career assessment, linkage with Adult Education and local community colleges, GED prep classes as well as leisure and wellness treatment plans

Criteria for Assessment
Residential programs

- Age Range 18—59
- Resident of LA County
- Axis I Diagnosis; clients with co-occurring disorders accepted

BRIDGES, Inc. maintains family-like (small 6 bed homes) licensed Transitional Living/Mental Health Programs in the San Fernando Valley and El Monte service areas.
